STEPHEN KING: UNCOLLECTED, UNPUBLISHED 2014 UPDATE to the FOURTH REVISED and EXPANDED EDITION

Major Updates in this 2014 Update for the Revised and Expanded Edition of Stephen King: Uncollected, Unpublished.

Available in the trade paperback and e-book versions from Overlook Connection Press.

As with Rocky Wood's 2012 Fourth Revised and Expanded edition of Stephen King: Uncollected, Unpublished, this 2014 Update is an addendum to that volume and features many new and rare Stephen King pieces not previously discussed.

There are a multitude of interesting updates in the revised edition of the classic book about Stephen King's hidden work, Stephen King: Uncollected, Unpublished. This edition is likely to prove to be the definitive book about King's uncollected, unpublished and lost works.

The Stephen King Uncollected Unpublished Fourth Revised and Expanded edition is still available and can be purchased together for complete and current information to these rare works.

A number of stories Stephen King is rumored to have written are dealt with.

Some obscure stories have been republished in easy to access form and that information is provided for readers.

A centerpiece of this Update is the full description of a lengthy busted novel *Phil and Sundance*. In addition, a new busted story that appeared to have great promise is described.

- Bad Little Kid.
